**Data protection**

Access to VIS data is limited to authorised staff working for visa, border, immigration and asylum authorities for the performance of their tasks.

Data is kept in the VIS for 5 years.

Any person has the right to be informed about his/her data in the VIS. Any person may request that inaccurate data about him- or herself be corrected, and that unlawfully recorded data be deleted.

The graphic features a blue background with a large fingerprint pattern. A yellow airplane is flying across the fingerprint. In the top left, there are several light blue stars, and in the top right, there is a circle of yellow stars. The text 'VISA INFORMATION SYSTEM (VIS)' is prominently displayed in white, with the tagline 'Improving Schengen visa procedures' below it. At the bottom, the European Union flag and the text 'EUROPEAN UNION' are visible.
